1. ABOUT THE UNIVERSITY

Potti Sreeramulu Telugu University (PSTU) was established with the broad objective of fulfilling the linguistic, literary and cultural needs of Telugu speaking people. Being one among the few language universities in the country, Potti Sreeramulu Telugu University has made pioneering efforts in the fields of language, literature, history, culture, fine arts, performing arts and journalism.

Telugu University was established in the year 1985, through an Act of Legislation, by the Government of Andhra Pradesh and subsequently named as Potti Sreeramulu Telugu University with campuses initially at Srisailam, Rajahmundry and later Siddhendra Kala Kshetram in Kuchipudi, got merged with the university and School of Folk and Tribal Lore was established at Warangal.

This university pursues culture-based academics with a four-pronged approach for knowledge dissemination i.e. teaching, research, publication and extension. Potti Sreeramulu Telugu University has been contributing to the cause of higher education through its seven schools, 16 departments and five Centres. University also controls academic activities of 14 Government Music and Dance colleges spread over Telangana and Andhra Pradesh.

The infrastructure of the university includes NTR Auditorium, Guest House, decorated Conference Hall, Audio Visual Studio, Computer Networking and INFLIBNET.

Potti Sreeramulu Telugu University (PSTU) has established the Centre for Distance Education (CDE) in the year 2001, keeping in view its objectives which are unique in nature and intended to reach out to the Telugu speaking people all over the world in general Telangana and Andhra Pradesh in particular. The Centre for Distance Education has been offering the Post Graduate, Graduate, Diploma and Certificate level programmes in different ramifications of the subjects for which regular courses are run through the schools, departments and centres of the University.

As a pioneering effort initially a unique Post Graduate course was started in Astrology (Jyothisham) for the first time in the country through distance mode. This course has received tremendous response from all over the country and from abroad too. The centre has also the credit of launching Post Graduate course in Journalism (MCJ) in Telugu medium for the first time. This course has been attracting people from rural areas too. Press Academy has been sponsoring 40 working journalists, paying them 25 per cent of fee to pursue M.A. Communication Journalism course every year. An MOU was signed between the University and Press Academy for this purpose. The CDE is focusing to spread the knowledge in the fields of performing arts, in which the University has specialization, by introducing Degree and Diploma programmes in Carnatic and Light Music. Another unique course was introduced in Film Script Writing. A specially designed need based PG course was introduced in English Language Teaching. All these courses have got encouraging response. All the courses offered by the Centre are supported by Self Learning Material (SLM) prepared by the subject experts.

The CDE is planning to establish Study Centres in different regions of the state to reach the unreached. At present it has four regional centres at Rajahmundry, Kuchipudi, Srisailam and Warangal.
